AUTISM GUERNSEY

Autism Guernsey is an independent charity which receives no statutory funding. We are a small team dedicated to improving the lives of those affected by autism who otherwise would not receive any services.

We are always looking for donations of any size, and volunteers for our children's clubs and fundraising events. We are always grateful to anybody who would like to hold their own fundraising event in aid of Autism Guernsey, provide sponsorship for one of our own events or provide a raffle prize.

Look out for the Autism Guernsey 'Bear Hunt' in 2024. If you are interested in sponsoring a Cuddly Bear for £350 with your name and logo on it, please contact Mandy on office@autismguernsey.org.gg.

GSPCA

The GSPCA is celebrating its 150th anniversary in 2023. The GSPCA is growing to meet the demands of the modern world with enthusiasm, optimism and energy. The role now, as in those early days, of preventing cruelty and promoting kindness to animals, through education, is as strong as ever.

We are completely funded through the generosity of the local community and without donations, monthly giving, legacies and our members we wouldn't be able to help the 1000's of animals every year that come through our doors.

INFORMATION FOR BUYERS
